The following telegram will explain itself.
To Capt. T. J. Matthews,
Socorro, N. M.

Please investigate and report by letter illigibility of Water Cañon as place to hold territorial Encampment of National Guard with special reference to questions of camp, drill grounds, water, drainage, target range, healthfulness and whether same can be had free of charge.

WHITEMAN,
Adjutant General.

In obedience to the above Capt. Matthews with a large delegation of citizens who desire to add all the assistance possible to the captain in securing the camp for our county proceeded to Water Cañon to investigate and report. The party returned well pleased with what they saw and today will go forward the report accompanied by blue print picture showing the advantages of this beautiful spot for the camp. The following business men composed the party who went out with the captain: M. Cooney, J. E. Smith, W. I. Liles, M. Loewenstein, Abran Abeyta, A. F. Katzenstein, Lt. O. R. Smith, F. Fischer, Aug. Winkler. Capt. Matthews and his company have worked hard for the interest of our town and deserve, and will, no doubt, have the united support of our citizens to secure the meet.

There will be present at the camp 6 Cos. of infantry, 1 troop of cavalry, 1 band, colonel and staff, and possibly, the governor and adjutant general and staff. The importance to our city and county to have the camp here can readily be seen, and no stone should be left unturned to secure it now that we have a chance.

H. Maynard Sowers Dead.

H. Maynard Sowers, son of Dr. G. H. Sowers, who resided in Socorro some years ago died at Silver City last Friday afternoon of asthma, a disease from which he had suffered since childhood. The deceased will be remembered by many in Socorro who knew him when but a child, and will be pained to hear of his death when, as it were, life seemed to look its brightest. Howard Maynard Sowers was the eldest son of Dr. George H. Sowers and Mary E. Sowers. He was born in Ottawa, Kan., August 26, 1875.

The Silver City Independent contributes the following: "Despite his physical affliction, deceased was an exceptionally bright young man. He was gifted with much ability in a mechanical way, and had an excellent command of the Spanish language, frequently acting as interpreter in the courts. He was popular with his associates and possessed the friendship of all who knew him. He was a member of company D. of the New Mexico National Guard, of the city.

Judge Smith Arrives in the Territory.

To the citizens of Socorro: District Judge Clement Smith and wife are expected in Socorro within a few days. A suit of rooms have been engaged at the Windsor hotel and they will be the guests of the Mayor while in the city, and in order to give our citizens an opportunity to get acquainted with them a reception will be held at my residence on their arrival, to which a general invitation is extended to all. Bring your wives and daughters.

As efforts have been made to impress Judge Smith that the people of Socorro were opposed to his coming, it behooves our citizens to turn out and give him and his wife the glad hand of welcome to the headquarters of his district.

A telegram from the judge at Lamy this morning states his plans have been changed and he has gone to Santa Fe, and will wire time of arrival at Socorro.

Catarrh of the Stomach.

When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucus, instead of the natural juices of digestion. This is called catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by A. E. Howell.
